

PATIENT NAME:

FITNESS TO DRIVE & DRIVER'S LICENCE RENEWAL

WHAT IS A FITNESS TO DRIVE ASSESSMENT?

Fitness to Drive Assessments are ordered by NSW Roads & Maritime for people with certain medical conditions.

You will receive a letter of notice in the mail to be assessed by a specialist to complete a Driver's Licence Medical Assessment or Renewal.

WHAT DO I NEED FOR MY APPOINTMENT?

- Fitness to Drive Notice from NSW Roads
- Referral letter from your GP to see an Endocrinologist
- Recent optometry report (within the last 12 months)
- Recent pathology report (HbA1C taken within the last 3 months)
- At least 2 weeks of blood glucose readings taken twice daily OR 2 weeks of Continuous Glucose Monitor download report.
- This is a full 40 minute consult, must be done in clinic.

IMPORTANT TO KNOW:

- Your GP cannot sign off on Driver's Licence Assessments, this must be done through an Endocrinologist, however your GP will need to write a letter of referral.
- Our specialists will not sign off without correct documentation
- Full drivers licence assessment consult fees are charged whether you do or do not pass your assessment.
- Telehealth is not available for this appointment type.

HOW TO BOOK:

Complete the online patient registration form, upload ALL documentation. Call reception and ask for a Driver Licence Assessment Appointment. (40 minute consult)
